Subject: Status of Reports & R9 Reports

Robin,

Here's what I'm working on today.

Finish WO# 1201013 Part 3 of 3 - once done I will set work order to complete.

Uploading R9 reports - question - 12033A is listed as preliminary report for dissolved gases. You are placing files based on date received. I just uploaded a report and noticed there was a revision 2 in a later folder. So we'll need to talk about a better way of storing these. Let me know when you have time.

Cindy
